Enjoy the Walled Lake lifestyle without the lakefront price. Built in 2017, this beautifully maintained four-bedroom, two-and-a-half-bath home offers a thoughtful layout, abundant natural light, and inviting indoor-outdoor living spaces. Ideally located near Walled Lake, local parks, restaurants, and the downtown area, this home offers convenient access to the activities and amenities that make the community so desirable. Current owners have enjoyed docking their pontoon nearby on Walled Lake, consistent with the lake-oriented character of Leon Road. Docking availability and any related requirements should be independently verified. The main level features hardwood flooring throughout an open end
